### **General Instructions**

### **Use of 2001 Form 120X**

Use the 2001 form to amend only the 2001 Form 120 or Form 120A, as originally filed, or as it was later adjusted by an amended return, Department of Revenue correction notice, or an audit, whichever is latest.

**NOTE:** Amended returns for prior taxable years must be filed on the Forms 120X for those taxable years.

### When to File Form 120X

The Form 120X may be filed only after the taxpayer has filed its original tax return (Form 120 or Form 120A) for the taxable year 2001. Generally, Form 120X must be filed within four years after the date the original return was due or after the date that the taxpayer filed it, whichever was later.

# Reporting of Federal Amended Return Changes or Finalized Revenue Agent Report (RAR)

A taxpayer who files an amended return with the Internal Revenue Service must file an Arizona amended return within 90 days.

The taxpayer must report changes or corrections of the taxpayer's taxable income by the Internal Revenue Service or as the result of renegotiation of a contract or subcontract with the United States to the department. The taxpayer must, within 90 days after the final determination of the change or correction, either:

- File a copy of the final determination with the department, concede the accuracy of the determination or state any errors, and request the department to recompute the tax owed to Arizona; or
- File an amended return as required by the department.

The department may require the taxpayer to file an amended return if the department does not have the necessary information to recompute the tax owed to Arizona.

File an amended return for a prior taxable year on the Form 120X for that taxable year. Do not use the 2001 Form 120X to file an amended return for a prior taxable year. If an amended return is filed for a taxable year prior to 1996, attach a copy of the original Arizona return.

### **Consolidated Return Election**

The common parent of an affiliated group of corporations that files a federal consolidated return may elect to file an Arizona consolidated return. The common parent must make the election for taxable years beginning January 1, 1994, or later by the due date, including extensions, for filing the original return.

A taxpayer may file the 2001 Form 120X to change its method of filing to consolidated for the taxable year 2001 only if the 2001 Form 120X is filed by the due date, including extensions, of the taxpayer's 2001 Form 120.

Refer to the 2001 Form 120 instructions for further information regarding requirements for the election to file on a consolidated basis.

### **Required Attachments to Form 120X**

Attach any schedules, forms, and/or statements which are necessary to fully explain and substantiate the change(s).

CHANGING THE ARIZONA APPORTIONMENT RATIO (FOR AIR CARRIERS)? Attach Schedule ACA.

REPORTING FEDERAL AMENDED RETURN CHANGES? Attach a copy of the amended return with all applicable schedules.

If the correct box WAS CHECKED on the 2001 Form 120, question B: (i) do not check any boxes for information question A and (ii) answer information question C if the Form 120X is being filed to change the Arizona method of filing.

**Information question B:** Check the Arizona adjustments only box if the amended return is being filed to report only state changes. State change examples: apportionment ratio; additions to or subtractions from federal taxable income.

Paid tax return preparers must include their TIN where requested. The TIN for a paid tax return preparer is the individual's social security number or preparer identification number or the federal employer identification number of the business. - the taxpayer is filing this return for a taxable year beginning from and after June 30, 1995.

Enter the maximum allowable credit for the taxable year, which is the lesser of ten percent of the total credit as determined by the department or the tax liability after the Clean Elections Fund tax credit and refundable tax credits (line 24(c) less line 25). If the tax liability after application of refundable tax credits is zero or a negative amount, enter zero on line 27.

## **Line 28 - Payments (Extension, Estimated)**

Enter the total amount from the original return (2001 Form 120, lines 28 and 29; or 2001 Form 120A, lines 19 and 20).

## Line 29 - Payment With Original Return (Plus All Additional Payments After It Was Filed)

Enter the amount from page 2, Schedule D, line 4.

### **Line 30 - Total Payments**

Add lines 25, 27, 28, and 29. Enter the total.

NOTE FOR CLAIM OF RIGHT RESTORATION: If the tax for the taxable year 2001 was computed under the provisions for a claim of right restoration, line 30 also includes the credit for the tax reduction for prior taxable year(s). Refer to Arizona Corporate Tax Procedure CTP 95-3 for further information. Write "ARS § 43-1130.01" and the total amount of the tax reduction for prior taxable year(s) in the space to the left of the total payment amount entered on line 30. The amount

entered on line 30 is the total of lines 25, 27, 28, 29, and the tax reduction for prior taxable year(s). Attach a schedule computing the tax reduction for the prior taxable year(s).

## **Line 31 - Overpayment From Original Return or as Later Adjusted**

Enter the amount of the overpayment of tax (if any) from the original return (2001 Form 120, line 32, or 2001 Form 120A, line 23), and the total amount of any overpayments of tax from a Department of Revenue correction notice, an amended return (2001 Form 120X, line 34), or an audit.

#### Line 33 - Total Due

If line 24(c) is **larger** than line 32, enter the difference. This is the amount of tax due. It must be paid with the amended return. Make the check payable to the Arizona Department of Revenue for the amount shown on line 33 and include the taxpayer's TIN on the check.

## Line 34 - Overpayment

If line 32 is **larger** than line 24(c), enter the difference. This amount is the overpayment from this amended return.

## Line 35 - Amount to be Applied to 2002 Estimated Taxes

The taxpayer may apply part or all of an overpayment reported on line 34 as a 2002 estimated tax payment, if this amended return is filed during the taxpayer's taxable year 2002. Enter the applicable amount on line 35. If the taxpayer wants all of the line 34 amount to be refunded, enter zero.

### Line 36 - Amount to be Refunded

Subtract line 35 from line 34, and enter the difference. This is the net refund amount.

## Schedule ACA – Air Carrier Apportionment Formula

(Multistate Air Carriers Only)

Schedule ACA must be completed and attached only if the 2001 Form 120X is filed to amend the apportionment ratio. [The taxpayer must complete Schedule ACA to amend the apportionment ratio originally computed on Schedule ACA or if the taxpayer incorrectly used the Form 120 Schedule C rather than Schedule ACA to compute the apportionment ratio.] If the apportionment ratio is not being amended, enter the apportionment ratio from the 2001 Form 120 or as adjusted by any prior audit or amended return, whichever is latest, on the Form 120X, page 1, line 9, in column (a) and column (c).

Effective for taxable years beginning from and after December 31, 2000, ARS § 43-1139 requires a taxpayer that is a qualifying air carrier to use an alternate apportionment method to apportion its business income to Arizona.

The taxpayer must be engaged in air commerce. "Air commerce" means transporting persons or property for hire by aircraft in interstate, intrastate or international transportation. If the taxpayer files a combined or

consolidated return, the combined group or the Arizona affiliated group must use this method of apportionment if 50 percent or more of the group's gross income is derived from air commerce. The group will apportion its business income by means of a single apportionment ratio computed under this method for all group members.

# Schedule C – Apportionment Formula (Non-Air Carrier Multistate Taxpayers Only)

Schedule C must be completed only if the 2001 Form 120X is filed to amend the apportionment ratio (if the taxpayer was required to use Schedule C). If the apportionment ratio is not being amended, enter the apportionment ratio from the 2001 Form 120 or as adjusted by any prior audit or amended return, whichever is latest, on the Form 120X, page 1, line 9, in column (a) and column (c).

ARS § 43-1139 (Allocation of business income) provides that the apportionment ratio is a fraction. For taxpayers other than air carriers: the numerator of the fraction is the property factor plus the payroll factor plus two times the sales factor. The denominator of the fraction is four.

Determine sales within Arizona on a destination sales basis.

### Line C3(e) -

**NOTE:** Multiply the amount entered on line C3(c), column A,, the total Arizona sales, by 2 (double weighted sales factor) on line C3(d), column A. Enter the amount on line C3(e), column A. Do not double the amount entered on line C3(e), column B, the everywhere sales of the taxpayer.

EXAMPLE: The taxpayer has total Arizona sales of \$100,000 and total everywhere sales of \$1,000,000. On line C3(e), column A, enter \$200,000 of Arizona sales. On line C3(e), column B, enter \$1,000,000 of everywhere sales for the taxpayer.

The sales factor ratio in column C of line C3(e) may, in certain circumstances, exceed 100 percent. However, since the total ratio (line C4) is divided by four, the average ratio (line C5) will not exceed 100 percent.

#### Line C5 -

Divide the total ratio, line C4, column C, by four. Enter the average ratio amount here and on page 1, line 9(c). Express the ratio as a decimal carried out to six places.

**NOTE:** Do not exclude a factor from the total ratio (line C4, column C) if the numerator of a factor is zero and the denominator of a factor is greater than zero. However, the taxpayer must exclude a factor if both the numerator and the denominator of a factor are zero. If the property or payroll factor is excluded, determine the average ratio (line C5, column C) by dividing the total ratio by three. If the sales factor is excluded, determine the average ratio by dividing the total ratio by two.

## Schedule D – Schedule of Payments

List the payment sent with the original return and all payments made by the taxpayer after the original return was filed. If additional space is required to list all of the payments, prepare a schedule (in the same format) labeled "Schedule D – Schedule of Payments" and attach the schedule to the Form 120X.

DO NOT include refundable tax credits, the retroactive consolidation tax payment credit or the claim of right credit computed under ARS § 43-1130.01 in this schedule.

DO NOT include amounts paid for penalties and interest or payments reported on page 1, line 28.

Enter the total on Schedule D, line 4, and on page 1, line 29.

### Schedule E – Explanation of Changes

Explain the changes made in this return. If additional space is required to explain all of the changes, prepare a schedule (in the same format) labeled "Schedule E – Explanation of Changes" and attach the schedule to the Form 120X.

CHANGING THE ARIZONA APPORTIONMENT RATIO (FOR AIR CARRIERS)? Attach Schedule ACA.

REPORTING FEDERAL AMENDED RETURN CHANGES? Attach a copy of the amended return with all applicable schedules.

### Certification

One or more of the following officers (president, treasurer, or any other principal officer) must sign the return.

**Paid preparers:** Sign and date the return. Complete the firm name and address lines (the preparer's name and address if self-employed). Enter the preparer's TIN, which is the firm's FEIN or the individual preparer's social security number or preparer identification number.

#### **Interest**

The department will calculate any interest due and will either include it in the refund or bill the taxpayer for the interest.

Obtain information and current interest rates by contacting one of the numbers listed on page 1 of these instructions.
